Versions approved by the FAL Committee

First version of the IMO Compendium was approved by FAL 43, and issued it as FAL.5/Circ.41.

FAL 44 approved new amendments to the IMO Compendium in 2020, and issued it as FAL.5-Circ.43.

Current electronic version of the IMO Compendium

The current version of the electronic version of the IMO Compendium is based on FAL.5-Circ.43.

New data sets approved by the FAL Committee

The IMO Compendium approved by FAL 44 has included the 'WHO Maritime Declaration of Health' and 'Just in Time' data sets.

New section with the code lists maintained by IMO

This update of the IMO Compendium introduces the code lists to be maintained by the IMO in Annex 4 of the FAL.5-Circ.43.

Amendments to the previous version of the IMO Compendium

The changes made in respect to FAL.5/Circ.41 are set out in the Appendix of FAL.5-Circ.43.
